

Lara Beyer-Fakult receives her P.E. License!

BMJ Engineers & Surveyors is proud to announce Lara Beyer-Fakult is now a P.E.! She received the license after taking the test only one time.

Lara has been employed with BMJ since April, 2002, with an emphasis on municipal engineering. She will be involved in drainage design, site development engineering, road design, and design of public utilities.

Lara is a graduate of Michigan Technological University
